The Striders had to run on the sidewalk as the course was still very soggy and there was a large kids track meet on the track area. Bob Gagne drove in from Nebraska to run with the Striders and to go to a party tonight. He plans to drive back to Nebraska after the party. Bill Thom again managed to run each lap faster than the previous one. Bob Gagne and Michelle & Bill Thom joined the Striders for 2025. Sylvia Angarone and Michelle Thom came to cheer on their favorite runners. Sylvia made brownies for everyone. We are debating a 9:30 start time for the summer races.
